MINI BRUSH GRAPPLES

FOR COMPACT TOOL CARRIERS

The Paladin® Mini Brush Grapple has a unique open tine design that makes it perfect for use on mini skid steer loaders. It's available in three widths: 42", 48", and 54", and is particularly well-suited for moving brush, limbs, and branches. The open tine design enables the grapple to move vegetation material while allowing soil to fall through and remain in place.

MINI BRUSH GRAPPLES

FOR COMPACT TOOL CARRIERS
