HEAVY-DUTY PIN-ON BUCKET

FOR MINI EXCAVATORS AND BACKHOE LOADERS

Innovative design and advanced materials make up the ultimate combination for job site productivity. With AR400 material, Paladin®'s Heavy Duty Pin-On Buckets offer a lighter-weight bucket with significant wear resistance.

HEAVY-DUTY PIN-ON BUCKET

FOR MINI EXCAVATORS AND BACKHOE LOADERS

FEATURES

- AR400 Wear-Resistant Plate: Used to reduce the weight of the bucket and improve the wear life
- Dual Taper Design: provides enhanced heel clearance for less resistance and wear while digging
- Long Floor Design: provides for easier trenching and better filling of the bucket

SPECIFICATIONS

2T			
WIDTH	CAPACITY	# OF TEETH	WEIGHT
