

VRS HIGH-CAPACITY PICKUP BROOM

FOR SKID STEER LOADERS

Sweepster®'s VRS Pick-Up Sweeper (SSL Collector Sweeper With Dust Abatement Capability — Hydraulic Drive) is great for cleaning up parking lots, constructions sites, streets, curbs, and gutters as well as parks and recreation areas, pavement milling operations, and utility work sites. The "volumizing" feature allows the bucket to hold considerably more debris volume with less recirculation when compared to conventional sweepers. This product is also available CE certified.

VRS HIGH-CAPACITY PICKUP BROOM

FOR SKID STEER LOADERS

FEATURES

- "Volumizing" feature: bucket holds more debris with less recirculation
- High dump design holds sweeper head clear of dumping bucket
- Quick-change brush without breaking hydraulic lines
- The hydraulic motor can be removed for brush change without tools
