## MINI BRUSH GRAPPLES

### FOR COMPACT TOOL CARRIERS

The Paladin™ Mini Brush Grapple has a unique open tine design that makes it perfect for use on mini skid steer loaders. It's available in three widths: 42", 48", and 54", and is particularly well-suited for moving brush, limbs, and branches. The open tine design enables the grapple to move vegetation material while allowing soil to fall through and remain in place.

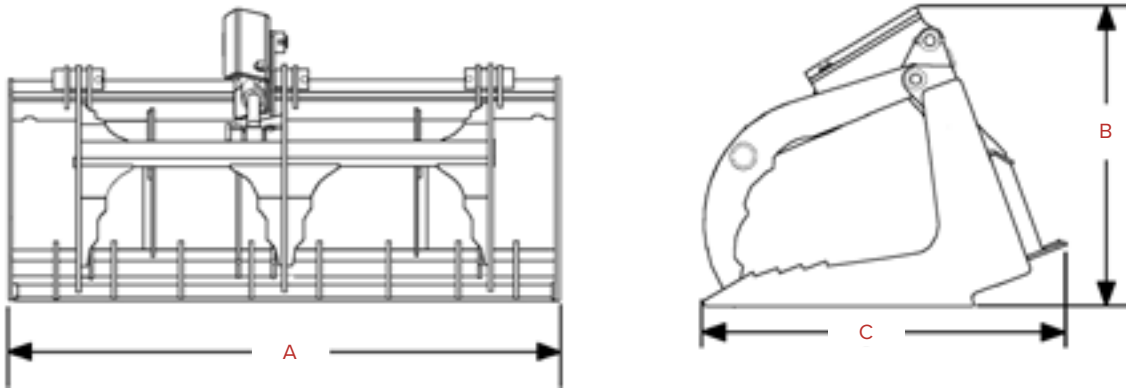

# MINI BRUSH GRAPPLES

FOR COMPACT TOOL CARRIERS
